Eminent Doctors Praise Its Ingredients.
We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.
Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Helonias Dioica*) which is one of the chief ingredients of the "Favorite Prescription":
"A remedy which invariably acts as a uterine invigorator * * * makes for normal activity of the entire reproductive system." He continues "In Helonias we have a medicament which more fully answers the above purposes *than any other drug with which I am acquainted.* In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helonias (Unicorn root). Pain or aching in the back, with leucorrhœa; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women, constant sensation of heat in the region of the kidneys; menorrhagia (flooding) due to a weakened condition of the reproductive system; amenorrhœa (suppressed or absent monthly periods), arising from or accompanying an abnormal condition of the digestive organs and anæmic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."
If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medical properties of which it most faithfully represents.
Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:
"It is an important remedy in disorders of the womb. In all catarrhal conditions * * * and general enfeeblement, it is useful."
Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:
"In relation to its general effects on the system, *there is no medicine in use about which there is such general unanimity of opinion.* It is *universally* regarded as the tonic useful in all debilitated states."
Prof. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:
"Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhœa (painful menstruation)."
Dr Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

NEW CENTRAL THEATRE
San Francisco.

That successful dramatist, Lincoln J. Carter, is again chosen by the management of the Central theatre to furnish amusement for its army of patrons next week, and his most fascinating heart story, "Too Proud to Beg," will be the offering. This is one of the most successful melodramas of the day, and has five years of enormous business to its credit in the eastern cities. It faithfully depicts the stirring scenes and adventurous life of our police detective system. The heroic efforts of a brave little boy to save his father from a burning oil house—one of the greatest fire scenes ever staged. Little Helene and Baby Martine will play the two little tots. Marie Howe plays one of her rollicking Irish characters, "Mrs. O'Rock," and the troubles she causes her two German lovers will drive the worst case of bules on a still hunt for the north pole. Lauders Stevens, Edna Crawford, Elmer Booth and all the favorites are in the cast. The following vaudeville artists are engaged for next week; Georgie Cooper and Ben Wierner, of the Tivoli, in popular songs; the musical Lemonts and Harr Fox in illustrated songs. Matines aSturday and Sunday at popular prices. "The Minister's Son," is the following play.

THE MAJESTIC,
San Francisco

Notwithstanding that it has only been a few weeks since Nellie Stewart and the Musgrove Australian players crowded the Majestic Theatre for an entire month with their splendid product of "Sweet Nell of Old Drury" the announcement of their return was welcomed by a long string of buyers at the box office and the house has been crowded at every performance. The hold that this magnetic actress has taken on our theatre going public is simply marvellous and many people have gone to see the beautiful production over and over again.

The play is a charming one; the company is perfect, the scenery and stage garniture is beautiful and the music appropriate and remarkably well interpreted by a complete orchestra. The result is a performance that leaves nothing to be desired.

As many of those who have Miss Stewart as "Nell Gwynn" have expressed a desire to witness her performance of one of the standard plays in which she has been so successful, the management has arranged to present the star in Dumas' "Camille," the test piece for great actresses. Miss Stewart has played the role of "The Lady of the Camellias" many times and with the greatest success and the special performances of this play will certainly attract big audiences. The gowns Miss Stewart wears in this part are said to be wonderful creations and one of them is said to have cost nearly $2,000 in Paris.

"Camille" will be given several times during the coming week and full particulars will be announced in the daily papers.

A Scientific Wonder.
The cures that stand to its credit make Bucklin's Arnica Salve a scientific wonder. It cured E. R. Mulford, lecturer for the Patrons of Husbandry, Waynesboro, Pa., of a distressing case of piles. It heals the worst burns, sores, boils, ulcers, cuts, wounds, chilblains and salt rheum. Only 25c at Ryan's drug store.

LITTLE POCKET PHYSICIAN
Hyomei Inhaler that is Guaranteed by A. D. Walsh to Cure Catarrh.
Thousands who have been cured by Hoyomei, call the inhaler that comes with every outfit "The little pocket physician," as it is so small that it can be carried in the pocket or purse.
Prior to the discovery of Hyomei, statistics showed that at least 97 out of every 100 persons in this state were suffering from catarrh in some form. The remarkable results following the use of Hyomei are shown by the smaller percentage today of people usffering from catarrh.
There is rarely no excuse whatever for anyone having catarrh now that Hyomei is so readily obtainable. If you have any doubts about its value, A. D. Walsh will let you have a complete outfit with the understanding that unless it cures catarrh, it will not cost you a cent.
A complete Hyomei outfit consists of "the little pocket physician," a medicine dropper, and a bottle of Hyomei, and costs only $1, while additional bottles of Hyomei can be procured for 50 cents, making it the most economical, as well a sthe most reliable treatment for the cure of catarrh.
Do not delay longer the use of Hyomei, if you have catarrh. This is a purely local disease, and Hyomei goes right to the spot where the catarrh germs are present, destroys them, soothes and heals all inflammation, and makes a permanent and lasting cure.

GOING RAPIDLY.

Events of the Week as Recorded by Corps of Special Correspondents.

WOODSIDE CHIPS.

Miss Edith Bottger has been appointed census marshal for Greersburg district.

Thos. Earley, the well known mill man from Oakland visited his frow at this place last week.

Mr. and Mrs. N. Hansen were visitors in the metropolis the first part of the week.

V. Rattan is building a barn on his new home in the Canayada. Leon Bean is doing the work.

The fruit trees through the valley are in bloom and present a most beautiful sight to the sightseer.

Wm. Hooper was down to his country home at this place last Sunday in his auto. Mr. Hooper expects to move down shortly for the summer with his family.

The weather the past few weeks has been anything but pleasant and which has served to keep most of our wealthy residents in their city homes. However, as soon as the usn shows itself and things dry up a little they will be anxious to getinto the country.

Miss Hattie Gillespie, sister of Mrs. L. T. Tuttle of this place, will be united in marriage next week to a well known man. Miss Gillespie was a frequent visitor at the home of her sister and during her stay made many friends who wish her future one of happiness and contentment.

BELMONT ITEMS.

BELMONT, March 21.-A mass meeting of the citizens of Belmont was held Sunday for the purpose of forming an improvement club in the town. Temporary organization was affected with J. J. O'Brien as temporary chairman and A. S. Neil as temporary secretary. The general improvement and welfare of Belmont is the object aimed at by the club, the principal desire being to make provision for a water and sewer system. A promotion committee was appointed consisting of C. E. Dugan, Chas. Richardson and J. J. O'Brien. The next meeting will be held in the latter part of this week, due notice of which will be given, when a permanent organization will be made. At this meeting the committee will make its report. The committee promises to have influentia speakers to address the club at its next meeting.

The Western Pacific Railroad.

The Western Pacific Railroad Company has purchased the Oaks property on north Monterey street, Gilroy, from Thomas Fowler; also the McStay place adjoining. This gives credence to the report that the Western Pacific is coming through the Pacheco Pass to Gilroy and will use this property for a depot site. Surveyors for this road have been actively engaged in the Pacheco Pass and east of Gilroy for several weeks.

From this it would appear that the Western Pacific Company will gain an entrance to San Francisco through the Santa Clara valley. It has been rumored that the real owners of the Ocean Shore Railroad is the Western Pacific. If it is time the latter company has secured a good foothold in the metropolis.

One Year in San Quentin.

W. H. White pleaded guilty to a charge of grand larceny in the Superior Court Wednesday and was sentenced to serve one year in San Quentin. White is a plumber by trade, a native of Rhode Island aged 28 years. On January 6th he stole a valuable watch from Dora Metzler who conducts a rooming house at San Mateo. He was a roomer at the time he pawned it at Stockton and was afterj wards arrested. The time piece was restored to Mrs. Metzler. He offered an excuse for taking the watch that his wife was sick and he was without money. Having no prior convictions Judge Buck gave him one year.

CITY COUNCIL.

At a meeting of the city council Monday evening Geo. C. Ross, representing the Redwood City Realty Co., presented two maps of Wellesley Park A resolution dedicating the streets in the park was adopted. He asked that steps be taken to establish the grades of the streets in the tract so the company will begin the work of macadamizing, etc. The Board promised to do this.

C. O. Foster was awarded the contract for rewiring the hose houses.

A communication was read from the Menlo Golf and Country Club asking permission to rent the city's steam roller. Action on the request was deferred.

The street superintendent was direct to raise hose house No. 2 to the street level and to have fire hydrants painted white.

COUNTY BOARD IN SESSION

Official Business Transacted by the Supervisors at Last Meeting.

The Board of Supervisors met in regular session Monday, all the members were present.

The following communication from Redwood Parlor, Native Daughters of the Golden West was on motion of Debenedetti seconded by Eikerenkotter placed on file:

To the Honorable Board of Supervisors of San Mateo County;

Dear Sirs: Having been informed that the furniture of the old court house is to be disposed of at auction, we, the members of Bonita Parlor, Native Daughters of the Golden West, take the liberty of addressing you on the subject, requesting that, if such a disposition of county property be permissable, some of the settees be donated to "California Square." We have endeavored to make the park such as can be of use and enjoyment to the public but our purse has never allowed us the fulfillment of our ambition. If it would be possible for your Honorable Board to vote us some of the settees that are suitable for seats about the park, you could confer a favor upon us that would be a benefit to the public and we hope, sometimes of use to yourselves.

Thanking you for any consideration you may give this request, I beg to remain, Yours very sincerely

LOUISE M. ROUSSEL,
Rec'd. Sec'y. Bonita Parlor, N. D. G. W.

March 16, 1906.

Communications were read from E. E. Cunningham and Alexander Gordon soliciting a portion of the insurance on the new court house building. The chairman made an order filing the communications for future references.

Manuel Q. Ramos, the newly appointed poundmaster of the Fourth township, presented his bond. He qualified in the sum of $500 with John Francis and C. W. Borden as sureties. The bond was accepted.

The application of the South San Francisco Board of Trade to have the county license ordinance amended by raising the tax on peddlers to $200 a year for those using wagons and $100 for those carrying packs was taken up and considered. Harry E. Styles, the secretary of the Board of Trade, addressed the supervisors and urgently asked the adoption of the proposed amendments. The Board agreed upon the amendments and referred the matter to the District Attorney to report at next meeting.

Afternoon Session.

The Board met at 1:30 o'clock pursuant to adjournment during the morning session. All members answered roll call.

T. C. Van Ness Jr. presented three warrants on Reclamation No. 543 for the Board's approval. The claims were as follows: W. P. Brewer estate, $952.85; E. M. Brewer, $4,478.40 and Edward Peabody, $542 87.

Chas. Dugan said he held similar warrants on another District and thought some question might be raised by the state in reference to their payment.

District Attorney Bullock was of the opinion that the claims ought to be looked into. On motion of Debenedetti seconded by Coburn said claims were referred to the District Attorney to report Monday March. 26.

The application of Max Shoenwitter and T. F. Field for peddlers licenses was on motion of Debenedetti seconded by Coburn indefinitely postponed.

The offidavit of Paul Pinckney showing that notice of the sale of the gas and electric franchise at Pescadero had been published the required number of times, was read. The chairman declared that due and legal notice had been given.

The Clerk announced that no sealed bids had been received, whereupon Charles F. G. Grondona made an offer of $19 for the privilege. Chas. E. Dugan raised his $20. Grondona made a second bid of $25 and was awarded the franchise on motion of Debenedetti seconded by Coburn. On motion of Eikerenkotter seconded by MacBain the unsuccessful bidder was returned his money.

The deeds to certain streets at Belmont offered by M. King and wife were taken up and discussed. Mr. King urged that they be accepted, saying that they would open up a desirable territory. It was the general opinion of the Board that Mr. King should plat his property and file a map thereby following the custom in such matters. P. A. Roussell strongly urged the non-acceptance of the deeds, Chairman Coleman expressed himself as opposed to accepting the deeds. On motion of Debenedetti seconded by Eikerenkotter the acceptance was denied. MacBain voting no.

J. A. Mogan presented a map of Arleta PPark,Halfmoon Bay. Same wa accepted on motion of Debenedetti seconded by Coburn and the following resolution adopted dedicating the streets delineated thereon to public use:

The controversy between the Jewish and Italian cemeteries over the closing of Clarke avenue by the latter association was taken up for settlement. The Board was given to understand that the two cemeteries were unable to agree, whereupon MacBain moved and it was so ordered that unless Clarke avenue be reopened by the Italian Cemetery within 10 days the privilege recently granted that association to extend its burial limits would be revoked.

MacBain was appointed a committee to secure shades for the new court house.

The matter of awarding the contract for furnishing the new court house that has been before the Board for several weeks was taken up. There were twobids offered for consideration that of the Art Metal Company for $20,236 and that of the H. S. Crocker Company for $25,666. MacBain renewed his motion that the Art Metal Company be given the contract. It failed of a second.

Elkerenkotter explained that he made a thorough examination of the furniture of the two companies and felt certain that the bid of the Crocker people was the best. Coburn said the county wanted the best furniture and that his constituents desired nothing but the best furniture. He had examined the samples and was positive the Crocker Company had the best and would vote for the Company. Coleman expressed himself as opposed to all metal furniture. He thought, at least, the desks should be of wood. MacBain strongly protested against awarding the contract to the Crocker Company. He said the other concern had good metal furniture and far superior to the Crocker Company. He claimed that the Art Metal Company was the only bidder that complied with the terms ofthe advertisement. He strongly urged the rejection of the Crocker Company's bid.

Debenedetti said he favored the Crocker Company's furniture believing it to be the best. He moved that the Art Metal Company's bid be rejected and it was seconded by Elkerenkotter. The motion was carried, MacBain voting no.

Debenedetti moved that the Crocke Cemapny be awarded the contract The motion was seconded by Eikerenkotter and carried, MacBain voting no.

Protests were entered by the representative of the Art Metal Company and MacBain gave notice that he would take steps to restrain the successful company from entering a contract with the county.

The matter of insurance for the new court house brought out much discussion. Chairman Coleman stated the rate on the new building would be as high as was the rate on the old structure. He thought this outragious MacBain that $30,000 insurance would be sufficient as that amount would cover the cost of the furniture. He held that in as much as the building was entirely fire proof any higher sum would be unnecessary. Elkerenkoter and Debenedetti thought the county should be protected and would vote for an amount equal to two thirds the value of the structure. The matter was laid over until the next meeting of the Board.

The communication of Geo. H. Gervin asking tor a change of name of the county road wasordered filed.
